*We Dedicate
the '63 Brevardier
to you,
LONDON B. DEAL*

For your winning personality . . . for your interesting presentation of chemistry and physics . . . for your patience and sense of humor . . . for bringing the Blue Ridge Conference track championship to Brevard High School for three consecutive years . . .

We wish to express our appreciation of your spirit—whether in the classroom or on the track, in school or out of school—by dedicating this 1963 BREVARDIER to you, COACH LONDON B. DEAL.

This annual is dedicated to the task of preserving the image of the student himself at Brevard Senior High School in the year 1962-1963. In all phases of life—classes, extra-curricular activities, sports, and activities outside the school—everything centers upon the student. We hope this annual will serve to provide a descriptive account of him and an invaluable key to his memories.

BREVARD SENIOR HIGH SCHOOL

ADMINISTRATION

Mr. R. T. Kimzey, principal of BSHS, presiding over assembly.

Mr. C. W. Bradburn, County Superintendent, and Mr. N. A. Miller, County Supervisor, are often seen in the lunch room.

The office staff aids Mrs. F. B. Cudd, school secretary, in routine work throughout the school year.

Students receive valuable aid from Mrs. Wolfgang Selle who processes transcripts and distributes informative handbooks.

Mrs. Dewey Lavender, guidance counselor assists students in college and job placements.

LANGUAGES

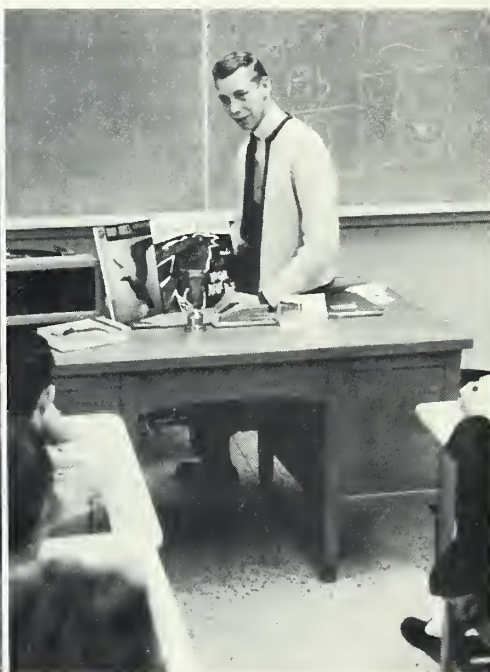

Julius Caesar was re-enacted for the B. H. S. students by professional actors.

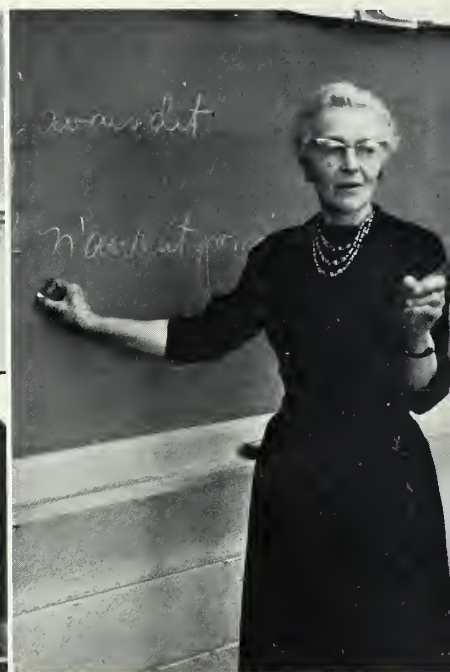

Mrs. R. T. Kimzey's projector shows senior English students the do's and don'ts of grammar.

Spanish is taught by Mrs. Ray Winchester, who returned to BSHS this year.

Students in Mr. Michael Pritchett's English classes not only read their literature but also listen to it.

Mrs. Jimmy Sledge emphasizes French translation in her classes.

One of the most interesting classes at B. H. S. is Saphamare English taught by Mrs. Jack Trantham.

Spanish III was offered for the first time this year.

Grammar is a major part of English.

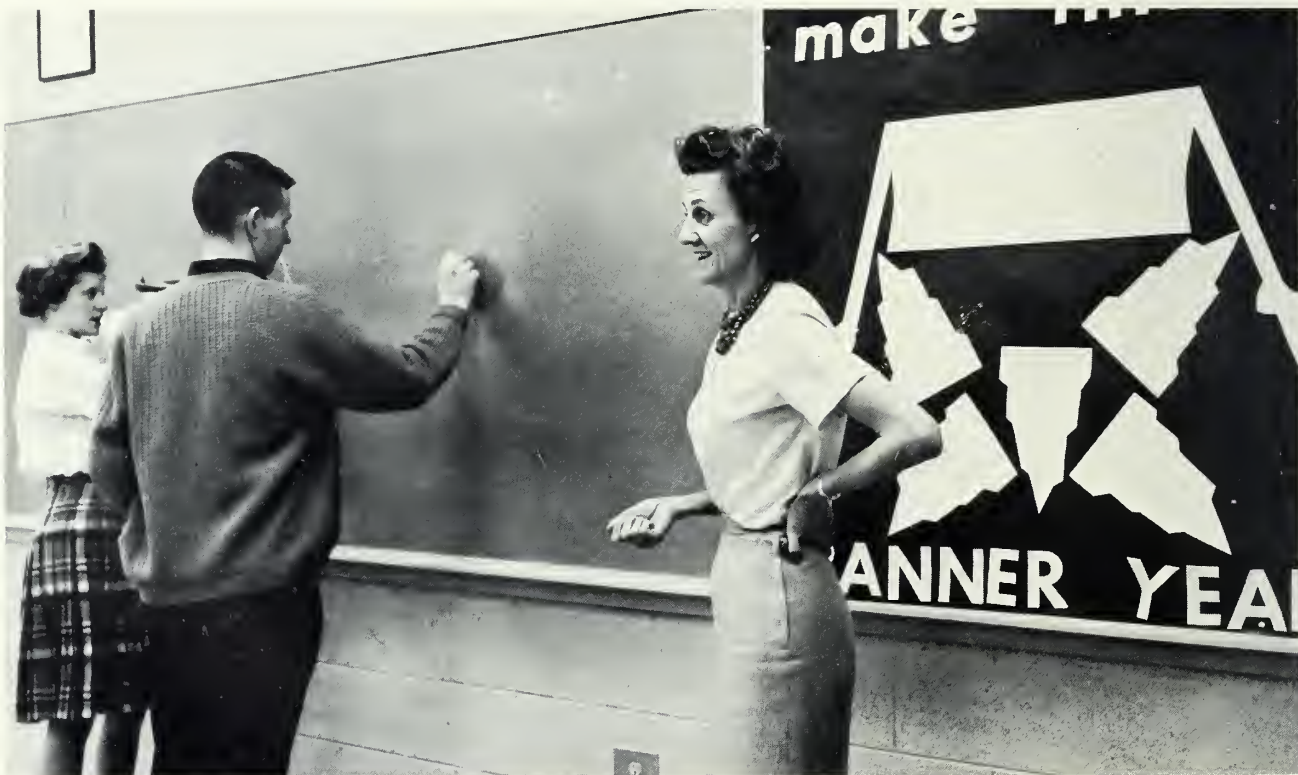

Miss Nancy Picklesimer gives her classes a sneak preview of the up-coming Juniar play, "And Came the Spring."

MATHEMATICS

Mrs. E. F. Tilson helps students understand solid geometry by showing them three-dimensional figures.

Geometry is capably taught by Mrs. Robert Andrews who also instructs two classes in Phy. Ed.

Hellaooo, dawn there!

Students admit that mechanical drawing under Mr. Robert Daniels is a very warthwhile though difficult course.

Mrs. George Abercrambie teaches boakkeeping, business math, and Algebra II.

Not only the coaching staff but also the biology students welcomed Coach Bob Armstrong this year.

Mr. Glenn F. Bartle teaches a special two-hour chemistry class, enabling the brighter science-minded students to further their studies.

Even though he lacks adequate equipment Coach Deal does a fine job in giving his students a well-rounded knowledge of physics.

SCIENCE

Yes, Sallie, he learned it at a dairy.

Students enjoy the relaxed, informal atmosphere of Mrs. Fulton Holliday's biology classes.

I hope it tastes better than it smells.

Maybe if I take out a test tube . . .

Judge is prepared for a busy hour in physics class.

SOCIAL STUDIES

Reports require extensive use of the library.

Now listen here . . .

Returning to full-time teaching this year, Mrs. Willis Brittain opens the door to a better understanding of social studies.

Caach Paul Maultsby interests his history students with his presentation of the Civil War.

Don't clip that—funnies are on the back!

Port left, starbaard right, ar is it the other way around?

BUSINESS

Preparing students for the college and business world is the role of Mrs. John Verner, typing instructor.

Future secretaries are taught the manual operation of office machines by Mrs. John Thompson.

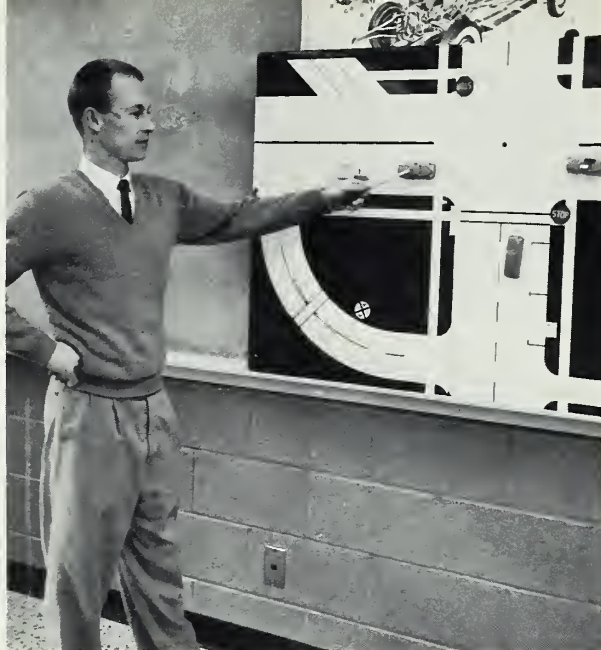

Quick, somebody turn this thing off!

Students are put to the speed test in Typing II and shorthand by Miss Pot Smith.

DRIVERS EDUCATION

Typical highway situations are staged by Mr. James Jahnsan on his magnetic board.

AGRICULTURE

Besides learning manual skills, the boys of Mr. Lyday's classes also improve school facilities.

Somebody sure loves Alice!

Mr. Randal Lyday keeps a watchful eye over his boys' accuracy.

During football season, Mr. John D. Eversman is busily engaged planning field shows.

Mrs. Verne Hill uses her musical talents to further vocal interest at B.H.S.

Mr. Charles Glass is invaluable to the music department.

MUSIC

LIBRARY

Efficiency is the motto of Mrs. Alma Galloway, school librarian, and her staff.

Accuracy is essential in nursing.

PRACTICAL NURSING

Nursing, offered for the first time this year, is taught by Mrs. Ben Patterson.

In addition to learning sewing and cooking, Home Ec. girls study child care under Mrs. Glenn Burrell.

HOME ECONOMICS

Hurrah for T.V. dinners!

Coach Cliff Braakshire not only teaches Phys. Ed., but also enjoys it.

PHYSICAL EDUCATION

Mrs. Robert Andrews teaches her girls poise and co-ordination in her Phys. Ed. classes.

e Test gets

harder . . .

and harder . . .

and harder.

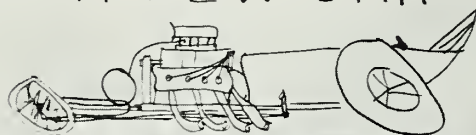

MEET THE STUDENTS

Dream on, Sophomore.

Too bad the poster committee doesn't write the Broadcaster!

Brevard says HELLO.

Really Coach, I'm first-string material.

NIGHT OF NIGHTS

But that's the wrong goal

Runnnn.

Hold it, Mule.

Talk about greasy.

Who swiped the ball?

Dribbling down the court . . .

Hey John! It has already started.

Well, how did you get out here without the keys?

Chalk up two!

Rad, the bell rang 15 minutes ago.

He's just a Junior!!

Both of you are wrong; King Kong walked upright.

It's not that heavy, is it, boys?

You soy he hit you?

Heaven at last!

Don't laugh, you have to eat it.

Before.

After.

Tom, Tom, come quick, Johnny's been—.

Ouch!!

Didn't Uncle Ed tuck you in last night?

Godfrey who?

Will you please move your head!!

Oh, Dennnnny.

7 come 11.

Your lunch is in THERE?

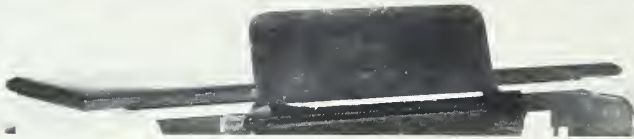

One of his many jobs.

My seven years in high school.

Another phase of student activity.

Quick Ronald! Get him before he moves!

But I don't want to pay!

SENIORS

Class Motto: "THEY CONQUER WHO BELIEVE THEY CAN."

Class Colors: BLUE AND WHITE
Class Flower: MOUNTAIN LAUREL

Proud seniors at last! Twelve long years of learning and bewilderment come to an end. At graduation we will forfeit our position for varied careers, taking our first step into a future filled with promise.

Our senior class, being a versatile one, possesses artistic, scholastic, and athletic abilities which will make us leading citizens of the future.

Now that our time has come to leave Brevard High, we treasure the memory of the past, the new friends we have made, and the old ones we shall never forget.

Our lives are just beginning. We will graduate as capable adults with the vital incentive to meet the challenges and obligations of the future, whatever they may be.

An aspiring and earnest group of juniors have advanced another step on the ladder leading to their ultimate goal of graduation.

Leadership, friendship, and sportsmanship are just a few of the many worthy qualities the class of 1964 has demonstrated. Their academic rating is high, and their knowledge has been challenged in many advanced classes.

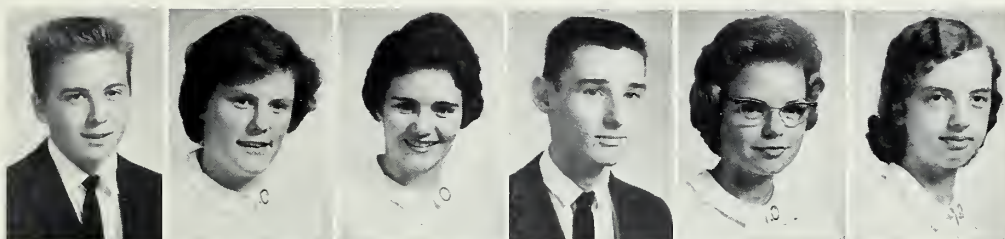

Hard work was transformed into fun and benefit when the juniors united to produce their successful play, "And Came the Spring". Profits from their play provided for the Junior-Senior which again demonstrated their organizational activities.

In both sports and spirit, B. H. S. has been well supplied by members of the Junior Class.

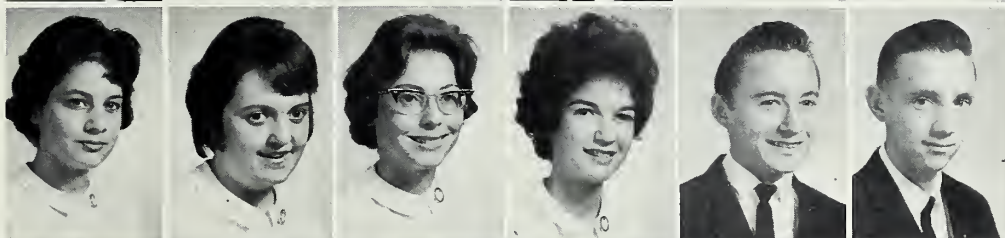

Their first class meeting and the choosing of their class rings were an indication of the individualism and independence of the class of 1964.

Newly aware of responsibility, the juniors are learning to make decisions that will vitally affect their future.

Unaccustomed to the rigors of high school, the sophomore class undertook the challenge set by their predecessors in their stride. Easily orientated into their new way of life, the class of 1965 has encountered many "firsts" which have broadened their viewpoints, increased their maturity, and furthered their knowledge.

The sophomores were introduced to one of the Shakespearian tragedies and undertook their annual search for conifers. Geometry, previously tackled only by juniors, became available to a select group of sophomores.

Their first year is distinctive as one of progress, and we expect them to surpass themselves in the years to come.

Activities

BREVARD HIGH SCHOOL BAND

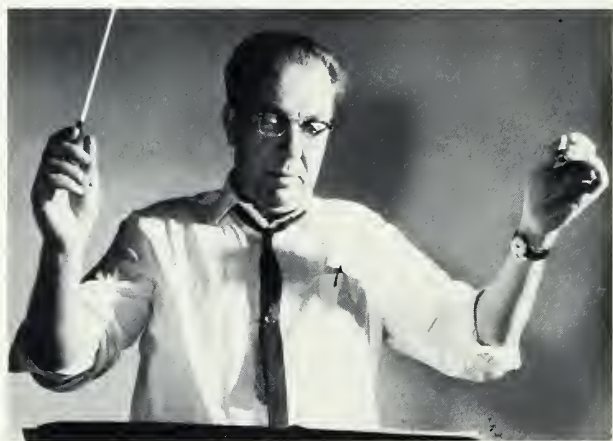

Have you ever stopped to think of the long hard hours of strenuous physical and mental labor that goes into the development of a superior band?

On the drill field, in the hot practice room, or in their homes, the band members should certainly be commended for a hard job well done.

Each year the members of the B. H. S. band par-

ticipate in many activities. During the past year they marched in several parades and at football games, entered Western North Carolina and state competitions, and presented several concerts to the student body.

Let's all tip our hats off to John D. Eversman, Charles Glass, and the whole 1962-63 B.H.S. Band for giving us a band of which we can certainly be proud.

John D. EVERSMAN, Director

Charles B. GLASS, Assistant Director

The Band Council makes all of the important decisions. They are as follows: Dottie Hooper, Mr. Charles Glass, Assistant Director; Betty Ann Schranz, Carole Dillingham, Lynne Stricker, Karen Gallaway, Mike Hunter, Tommy Bryant, SEATED: Mr. Jahn D. Eversman, Director.

GLEE CLUB

Much credit is due Mrs. Verne Hill in that she has taken a group of average students and turned their sometimes "off-key" voices into one harmonious sound which has kept the student body at various times completely spellbound. This tiresome job has taken much patience and stamina.

We say thank you to the entire Glee Club for many wonderful programs.

STAFF

"There are going to be some changes made" were the first words heard at B. H. S. where journalism was concerned. Indeed, the first issue was different. Beginning with Mr. Michael Pritchett, the new advisor, who had quite a job cut out for him trying to keep up with the fine mark made by Mrs. R. T. Kimzey during her past twenty years of valuable service, the BROADCASTER with its 1963 staff unearthed a new outlook on journalism. The staff was particularly fortunate in having capable business managers. Art and wit were expressed in ingenious, eye-catching posters throughout the year.

By increasing the number of publications this year, the news was kept more up-to-date. Feature articles—always interesting—were more numerous. For news, announcements, humor, and a few minutes away from class we thank the BROADCASTER staff.

Mr. Pritchett, advisor, goes over last issue's troubles with Bruce Wauchope, editor.

For the past year thirteen students have worked together, striving to obtain one goal. At last we can say "WE DID IT!" We added another annual to the life at B. S. H. S.

During the first semester of school we struggled with advertisements, pictures, copy, layouts, deadlines, finances, and each other. When the time came for us to meet deadlines it seemed that our days became shorter and shorter. Each time that we were in trouble, we

Sports co-editors, Jim Fortune and Connie Dickson, try to get a picture of everyone on the team.

always seemed to pull through, with the help of fellow staff members and our advisor, Mrs. Jack Trantham.

Our speeches rounded out the year. Preparing them was hard, but as the year passed by we became fully interested in public speaking.

All in all, the time that we have spent in preparing the Brevardier will be looked back on in future years as the highlight of our high school career.

School life co-editors, Bob Morley and Margaret Pillow, plan on interesting candid shot.

Annual staff members, in their spare time, try to better their speeches through a public speaking course.

STUDENT COUNCIL

Among the many activities of the Student Council, some of the most outstanding have been the upkeep of the school store, morning devotions, selecting the students of the month, and putting on very impressive election campaigns.

Throughout the year the Student Council, sponsored by Mrs. Fulton Holiday, has done a magnificent job in representing the Student Body.

Santa couldn't get a hall permit.

Officers from left to right are Jayce Frizzell, secretary; Roger Owen, president; David Israel, vice-president; John Dickson, treasurer.

FRENCH CLUB

Promoting knowledge of the French language and the people who speak it has been the main interest and purpose of the French Club.

The club, with the invaluable aid of its advisor, Mrs. Lucille Sledge, has at various times obtained interesting speakers for its meetings. At Christmas, club members made and sent cards to the confined persons in

the Transylvania Community Hospital.

One interesting thing throughout the year, other than the informative programs, has been that all of the parliamentary procedure during the meetings was conducted in French. It is certain that the future of the French Club at B. H. S. has been well molded.

SPANISH CLUB

Comprised of sixty-five members, the Spanish Club at B. H. S. is a group of hardworking, interested students who hope to bring non-members an awareness and understanding of our southern neighbors and their European counterparts. A number of interesting projects were carried out by the various committees, climaxed in the spring by an assembly program and a banquet. The Spanish Club, led by Mrs. Ray Winchester, is certainly a welcome addition to our activities and we look confidently toward its future development.

Spanish club members search for new ideas for posters.

OFFICERS: Manica Driscall, President; Ann Hammerschlag, Vice-President; Lorraine Ashwarth, Secretary- Treasurer.

BETA CLUB

Founded in 1933, the Beta Club is a national leadership-service organization for high school students. To obtain membership one must meet certain scholastic requirements and general merit qualifications which help in the development of initiative and leadership in its members.

Among the activities of the Beta Club, supervised by Mrs. Willis Brittain, are a student tutoring service offered to students needing assistance, an annual picnic, and attendance of the State Convention in the spring.

BETA CLUB: B. Wauchope, L. Stricker, M. Dale, S. Richards, J. Bennett, M. Hunter, C. Ramsey, J. Goings, M. Pillow, J. Davidson, D. Garren, B. Morley.

BUS DRIVERS

Bus drivers—drive buses. Behind the wheel early in the morning and after school hours, they have made an outstanding record of safe driving in Transylvania

County. Their resourcefulness and dependability have certainly gained the admiration of all Brevard High Students.

BUS DRIVERS: R. Wilson, B. Ryder, W. Ellis, T. Allison, J. Dickson, G. Gasque, J. Owens, C. Galloway, J. Reese, D. Owen, R. Corn,

J. Galloway, H. King, J. Raffield, J. Richards, W. Combs, C. Grogan, B. Morley, M. Baker.

F.T.A. members are used as substitute teachers.

F. T. A.

Under the able supervision of Mrs. Lucille Sledge, the F. T. A. promotes and stimulates the students' interest toward teaching as a career.

Through lectures and other forms of programs, different opportunities and new methods of teaching are discovered. The main goal this year has been to familiarize the members with the qualifications needed for different levels of teaching. This was very capably done with an open discussion by teachers from various grades in Transylvania County.

The F. T. A. has certainly proved itself to be a profitable and enjoyable organization in which to participate.

From left to right are Betty Heath, treasurer; Mrs. Sledge, advisor; Sandra Landreth, Secretary; Ellen Schlunz, president; Aundria McGuire, vice-president.

F. H. A.

OFFICERS: Pat Marcum, president; Kay Whitmire, vice-president; Bobbie Dotson, secretary; Ann Brogdon, treasurer; Mellie Gray, parliamentarian; Ann Danner, song leader.

Being comprised of—as the name implies—future homemakers, the F. H. A. has striven to improve the homelife of the future.

This year's central idea, "the value of an education", was greatly stressed in many beneficial programs.

Besides being profitable to its members, the F. H. A. also helped others through Christmas presents to a mental hospital and CARE packages to foreign countries.

Truly, the F. H. A. at B. H. S. under the supervision of Mrs. Glenn Burrell will be beneficial to all those who have participated.

Home, home on the range.

Another project of F. H. A. is serving at the F. F. A. banquet.

Why don't we just get a U-Haul?

F. F. A.

Future Farmers of America. What do these words mean to you? The Brevard F. F. A. Chapter under the supervision of Mr. Randal Lyday has done more than any other group in encouraging responsibility, individuality, and leadership among its members.

Annually the Future Farmers sponsor the Father and Son Banquet. This year money was raised by making and selling mailbox posts and picnic tables and running the concession stands at both football and basketball games.

During the year each industrious member was required to select an individual farm project and then maintain and keep an accurate record on it.

Competition ran high on the land judging, crop and tool identification, public speaking, and beef and dairy judging teams throughout the year.

If every club at B. H. S. accomplished as much as the F. F. A., our school would be ranked among the top in the nation.

BOOSTER CLUB

Striving to promote school spirit in every way possible, the Booster Club, under the capable direction of Mrs. Bob Andrews, is a group of hard-working, enthusiastic girls.

With an increased membership of 107, they have amply fulfilled the responsibility of folding and selling football programs, decorating goal posts, making shakers and posters, and sitting together in a body at pep rallies and games to insure a cheering section. Projects such as selling Blue Devil sweatshirts helped in the raising of money for the club's major event, the Sweetheart Ball.

Thus, through many activities, the B. H. S. Booster Club has become the main source of inspiration for our teams, student body, and at many times, the town as a whole.

I think we should put it there.

Posters boosting school spirit is main project of the Booster Club.

MONOGRAM CLUB

The spirit behind the Monogram Club.

The Monogram Club

Well, you can't sell them all!

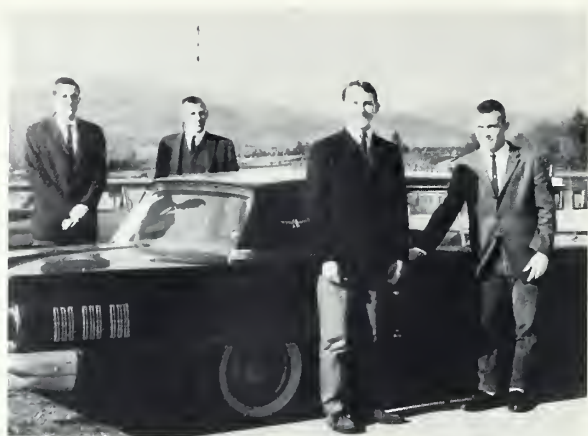

Under the superior sponsorship of Coach Cliff Brookshire, the Monogram Club has remained one of the best clubs at B.H.S., both as a work and a social club.

The first may be seen in the sponsoring of football programs and in the promotion of a memorial for the late Dr. Carl S. Plumb, Blue Devil physician.

Socially the Monogram Club kept the pace with the Monogram Dance and, of course, the picnic — which has become synonymous with the word initiation.

To become a member of the Monogram Club one must earn a letter in one of the major sports, and then, if possible, survive the initiation.

Key Club officers are Leroy Bishop, secretary; John Dickson, president; Don Garren, treasurer; Lloyd Fisher, vice-president.

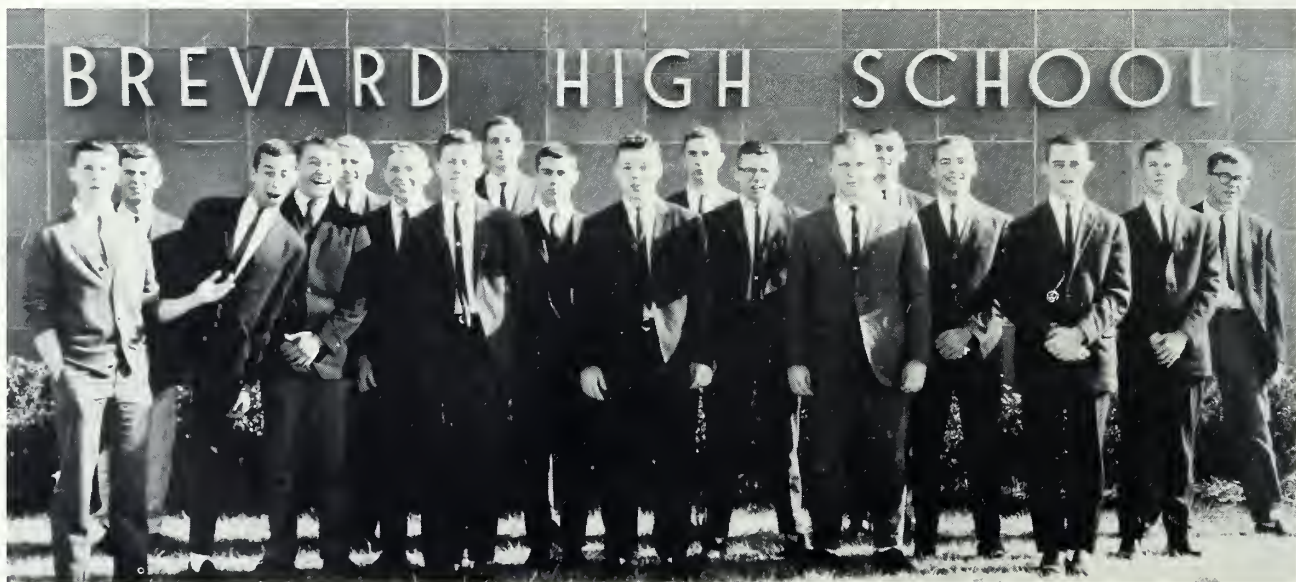

KEY CLUB

The Key Club denotes service. This can be noted in the several projects carried out in order to better the school and community. Although service is the central goal, social life is not entirely left out, as anyone who had the pleasure of going to the Key Club dance knows.

Choosing new members was not an easy job, for in order to qualify one must have shown leadership and academic ability. He should also possess high moral standards. All of these standards are set by the Key Club International and its sponsor, the Kiwanis Clubs of America. With all of this as a foundation, the Key Club has remained high among clubs at B. S. H. S. during the past year.

But Benny, there aren't any jokes!

Brevard High School's Key Club.

HEAD COACH
Cliff Brookshire

For the second time in three years, the Brevard Blue Devils advanced to the top in state football competition. Capturing the Western District AAA Championship title, they shared state honors with Rockingham.

The Blue Devils opened their season September 7 on a new home field, a wonderful asset to the players and fans alike. That night the Devils emerged victorious winning 26-0 over Swain High.

On October 12, the Blue Devils met their strongest opponent in regular season play. Enthusiastic football fans waited tensely until the beginning of the fourth quarter for the Blue Devils to score their winning touchdown against Enka.

Defeat was never experienced by the Blue Devils, who won ten games of regular season play and two championship play-off games.

The students at Brevard Senior High School take this opportunity to express their appreciation to the Blue Devils for an exciting season.
